SUMMARY

I was born in Konya. I had graduated from Konya Barbaros Primary School after then i graduated Konya Anadolu High School for completed the high school education. I have completed the first three years of university education Metallurgy And Material Engineering department of Kocaeli University. I had interested in music as an amateur in Kocaeli. I got on the stage in some organizations, cafe and concert. Once and for all i gave a concert in Krakow city which is in Poland. After returning to Turkey i changed my university to Konya Selçuk University for to be near my family. In the second semester of the last year of university i had worked in production planning and production department such an intern engineer long term in Telefoncular Tic.ltd.sti. Therewithal i went to a language course which is russian and german four days per week.
